

November 2026 Sky Events

**Daylight Saving Time Ends
on Sunday, November 1st , at 2:00 a.m.**

- At this time each fall, astronomers take delight in moving their clocks back an hour -- closer to the more natural solar time.
- The artificiality of Daylight Saving Time makes no sense, as no energy, daylight, or time is saved by this ridiculous idea!
- And it needlessly plays with our clocks.
